

Code of Conduct for students: Year 11 SAGE Program

- Students are expected to adhere to school rules and common courtesies.
- Students must at all times follow the directions of the IGS staff at the accommodation site and activity venues.
- Students must listen carefully during all briefing sessions conducted, and follow these instructions carefully.
- Students who engage in inappropriate behaviour that puts themselves or others at risk may be sent home. Their parents will be called and will be required to arrange transport back to Sydney.
- Students are expected to make a genuine effort to participate fully in the activities provided by instructors and teachers.
- Students must ensure they have carefully read the OEG website outlining what to bring and what not to bring. Inappropriate materials will be held by teachers until the end of the expedition or may be disposed of.
- Students must wear closed shoes at all times.
- Students must ensure that they apply sunscreen provided as directed by teachers for outdoor activities and must wear a broad-brimmed hat for outdoor activities.
- Students must not leave their accommodation at night except in case of emergency. There is to be no noise, movement, or communication between accommodations after lights out. In the mornings, students must not leave their accommodation before the time specified by the supervising teachers. Any breach of this will be regarded as a very serious matter.
- Students may not be in accommodation other than their own without the permission of a teacher. Under no circumstances may students of the opposite sex be in accommodation together.
- Students must respect the accommodation in which they are staying and behave safely and responsibly at all times.
- If students feel unsafe or uncomfortable about something that has happened to them, they should talk to a staff member. In an emergency after lights out, they should report to the staff member on duty for that night (these will be indicated to students).

Please access your child's Operoo profile and respond to the e-Form accepting the IGS Points of Understanding and acknowledging the Code of Conduct. Please also use the e-Form relating to your child's current health status, to indicate that all your child's medical details, including those relevant to prescription medication, are correctly and accurately recorded.
