

Term 3 Primary Co-curricular Clubs Program (Years 1 - 6)

Club	Years	Time	Place	Cost	Led by	Additional information
Monday						
Football skills and team training	3 - 12	7:30am - 8:20am	Wentworth Park	\$90	Freddie Seccombe and Ryan Vose	Students have the opportunity to be coached by Freddie Seccombe Technical Director of Football from Northbridge FC. Players who aspire to play Bill Turner Cup (under 15) and CIS cup (Opens) should be involved in this squad as well as players who want to learn the game of football and develop their skills. Meet at the Park next to the cricket nets.
Fitness with Hunting	3 - 6	7:30am - 8:20am	Fitness Facility	\$90	Mr. Lawrence Hunting	An opportunity for students to improve their fitness and burn off some energy. Students will take part in a range of fun and challenging fitness activities led by a PE teacher.
Little Drama	1 - 3	3:30pm - 4:30pm	Imaginarium	\$108	Christina Vlotis, Lukian Adams, Nye Morrison	Come and learn the foundations of Drama in this supportive and fun club which will explore storytelling, acting and creative movement. If your child is in Year 3, they may wish to participate in the Tuesday Drama Club instead, to be with older children.
3D Animation & Game Design	4 - 6	3:30pm - 4:30pm	K.404	\$270	PIEX	3D Game Design with Unity: Maze Students will be learning the language of C# in the Unity workspace, and will explore and create a project through a variety of challenges and activities. They will test their logical thinking and problem solving skills as they focus on the topic of space where they will design and create a rocket ship, use their programming skills to bring it to life and use trial and error to overcome their challenges. This course will give students an insight into how software development is conducted and a great way for them to work on a project within a team to create innovative and creative ideas. Students will engage in 3D game design through their own build of a maze, incorporating their understanding of mathematical concepts to direct their journey through the puzzle. They will build on their programming skills as they learn new concepts and skills every week that will help them manipulate their assets and produce their own personal game.
Karate	1 - 6	3:30pm - 4:30pm	Fitness Facility	\$126	Ino and Leigh from Jin Sei Ryu Karate	Learn and practice the discipline of martial arts, keep fit and have fun with Jin Sei Ryu Karate. For beginners and above.
Minecraft	1 - 6	3:30pm - 4:30pm	K.403	\$126	Jordan, Kennedy & Delaine	Children will participate in a Minecraft program specific to the Monday class. They will work on a project in teams that will culminate week to week. Children will build and work in both creative and survival modes. All year groups are welcome.
Tuesday						

AFL	3 - 6	7:30am - 8:20am	Wentworth Park	\$100	Club AFL - coach Jess Aish	The community club Newtown Swans is looking for players: Auskick U5's - U8's, Junior Footy U9's to U18's, Youth girls U10's to U18's. Come have fun while learning some fantastic skills of the great game of AFL.
