**STREET IMPROVEMENTS – MOUNTAIN STREET AND KELLY STREET,
ULTIMO**

We will soon start work to improve **the intersection of Mountain Street and Kelly Street, Ultimo**. These works will improve reliability of the street lighting, maintain pedestrian safety and enhance road user visibility in the area.

Street: Mountain Street
Intersection: Kelly Street
Type of work: Street lighting and paving restoration
Start date: 22 October 2022
Duration: Two weeks
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

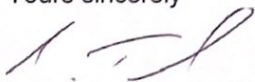

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
